Office of Legislative Counsel

Tuesday - 16 February 1954

1. Mr. Charles P. Grimes, Counsel to the Senate Internal Security Subcommittee, lunched with the DCI, DDCI, Acting DD/A, General Counsel and Legislative Counsel. Several problems of mutual interest were discussed, [redacted] the Committee, the problems raised by Senator Welker's investigation of certain Czech aliens and the John P. Davies case. In connection with the Czech problem, Mr. Grimes stated he knew Louis Galantiere of RFE quite well and also Mr. Yarrow of NCFE. It was, therefore, indicated that these two persons might brief the Committee on the situation as regards the Czechs. Mr. Grimes was most sympathetic to our problem and pledged complete cooperation. He suggested that a meeting between Mr. Dulles and Senators Jenner and McCarran might be appropriate.
